Items NOT ALLOWED at Camp

- **Cell phone** – STRICTLY prohibited. If campers need to call home, they are welcome to use one of the volunteer's phones. If a parent needs to contact their camper, please call Shawn, Rodney, Kevin, Matt, Ben, Jason or Nick.
- **Alarm clocks** – Campers will be awakened shortly before 7:00 am. There are also clocks in the dorms for campers to check time. It may also be suggested to bring a watch, if your camper is concerned about the time.
- **Pocket knives, Tobacco of any kind, Hay bags, Alcohol, Weapons of any kind**
- **Money** – No money is needed. A snack card can be purchased at check in.
- **Snacks or beverages** – A snack bar will be available on the grounds all week. A camp water bottle will be provided to each camper at check in.

Other Important Information – Prior to Camp

Horse Health Papers: No horse will be admitted on the grounds without a health certificate with proof of vaccination dated within 30 days of camp. Coggins test is required for out of state horses. Vaccinations required for camp are 5 way, West Nile and Rabies.

- Please check your email and watch our Facebook page for announcements, Eastern Iowa Horse and Pony Camp.
- Parents please check the volunteer schedule to make sure you know when you work. All volunteers must complete the camp's Hoof Beats training prior to volunteering at camp.
- We strongly recommend that a professional farrier trim or shoe your horse/pony 3 to 4 weeks prior to camp. Do not wait until the week before camp.
- Begin to condition your horse accordingly. We suggest **at least** an hour a day, five days a week, for five weeks prior to the start of camp.
