Friday Afternoon Schedule

Friday afternoon lessons will be open to parents to observe their child's progress over the week. The campers will ride at their normal riding times, but the structure of the afternoon lesson will be a little different.

Parent Meet & Greet

- Campers will have about a **30 minute lesson** with their instructor down at the arena and then the remainder of that hour, the **mentor will continue the lesson instruction**.
- The last half hour of the lesson will be open for **parents to meet one-on-one** with their camper's instructor individually.
- Each parent will have **approximately five minutes** with the instructor to discuss their child's progress and possibly hear suggestions for things to work on at home.
- In order to ensure that each parent has equal time, we will be **strictly enforcing the length of the individual parent's meeting time**.

E-cademy

- Campers will still attend their E-cademy at their regularly scheduled time.
- **Parents are welcome to attend.**

Electives

- **All Electives will continue as normal, at 4:15 pm**, following the afternoon lesson rotation.
- Parents are welcome to observe these electives, **but will not be allowed to interrupt the instruction time**.

Horse Chores, Dinner, & Awards

- Campers will feed and water their horses and clean stalls at **5:15 pm**.
- Dinner will be **served at 5:30 pm** in the Ballroom. Parents are **welcome to stay** for dinner with their child that evening for a **dining fee**.
- An awards ceremony will be held at **7:00 pm** in the Ballroom and **parents are invited to stay**.
- After the awards ceremony, there will be a **dance at approximately 8:00 pm** for the campers. At this time, we will ask that **all visitors say good-bye** to their camper(s) for the evening and **exit the grounds**.

Optional Friday Check Outs

Campers can check out on Friday evening, if they would like. Their stall and dorm area will need to be completely cleaned before checking out. Check out is in the snack bar. **Campers and parents are required to go through the checkout line together.** Here they will receive any professional pictures purchased, camper progress reports, any medications turned in at check in, refunds on their snack cards (if applicable), and any other camper items.

We also allow horses to be removed on Friday evening while the camper stays for the dance and to sleep overnight in the dorms on Friday evening. Please notify a barn supervisor (Matt, Nick, Jason, or Ben), if you are taking a horse home for the evening, but the camper is not checking out until Saturday morning.
