CHECK IN PROCEDURES

Check in times are staggered based on the camper's last name in order to help alleviate check in congestion. Please DO NOT arrive before your scheduled time. *Exception is given to those that are carpooling.*

A-F BEGINS AT 1:30PM G-M BEGINS AT 2:30PM N-Z BEGINS AT 3:30PM

If you are not able to make it during normal check-in time, please email us by Friday, June 15 to let us know you will be delayed. On Sunday, June 16, you may text Katie at 563-599-6528 to provide an ETA of your arrival.

Allow 1.5 hours to fully check-in your camper.

Campers will be sent to the barns at 5:00pm to begin chores/feeding/watering. Parents who are not scheduled to volunteer Sunday night will be asked to leave at this time.

CAMP ADDRESS

Great Jones County Fairgrounds, 700 N Maple St., Monticello, IA

Trailers will pull into the livestock gate entrance off of East 9th St. The gate off of East 8th St. will only be used for trailers and vehicles exiting the fairgrounds.

CAMPERS ARE REQUIRED TO GO THROUGH THE ENTIRE CHECK-IN PROCEDURE WITH THEIR PARENT/GAURDIAN.

STEP #1

Upon entering the fairgrounds from East 9th St., trailers will be guided by our volunteers to enter a check in line around the barns. **Horses are NOT to be unloaded until instructed to do so.** You will be asked to show your horse's health papers and Coggins test if applicable. You will keep the health papers to turn in at our registration table later. **You'll be given your stall number so that you can unload your horse, tack, and supplies. This number is also your "Camper Number"**

PLANNING TO LEAVE YOUR TRAILER AT CAMP?

Park and unhook in the designated grassy area on the north side of the barns on the opposite side of the fence. To access this area, enter off of 10th Street.

STEP #2

Next move up to the Berndes Center for final check-in requirements.

Campers will receive their name tags, welcome bag, camp t-shirt, schedule, etc.

You'll need the following in this line:

- **Copy of Horse's Health Papers dated within 30 days of June 16, 2024.**
- **Copy of negative Coggins Test if the horse is from out of state.**
- **CASH for Camper's Snack Card.** Most camper's get through the week with \$20 on their snack card.
- **Camper Health Statement, Medical Release & Waiver of Responsibility (Form CN1)**
- **Over the Counter Medication Permission Form (Form CN2)**
- **Camper medications, if needed, to be checked-in with the Camp Nurse.**
- **Cell Phone Policy** - optional if the camper wishes to have a cell phone or "smart device" **(Form CC1)**

New campers will have one of our Mentors go through the line with you and give you a quick tour of the camp grounds, review the schedule, and answer any questions there may be.

STEP #3

Final step is to unload your final items in to the "dorms". Space is limited, plan accordingly. Single air-mattresses or cots are required. Cots are highly suggested so that items can be stored under the cot.

CELL PHONE POLICY AND RELEASE FORM

Campers have the option to bring cell phones to camp this year. All camper phones will be logged in during check in and stored in a numbered slot in the snack bar area in the Berndes Center. **This also includes any smart devices, including watches.**

Campers will be allowed access to their phone once daily before breakfast. They can use their phones from the time their morning chores are completed until the breakfast line is open (approximately 20 minutes daily).

In order to access phone:

- Morning chores must be completed.
- Mentors will accompany campers to the phone check out line and confirm to a board member that chores are completed.
- Phones must stay in the Berndes Center at all times.

Once the breakfast line is opened, campers are expected to promptly return phones where they will be stored until the next morning.

Charging will not be available *as we don't have space to charge 100+ phones. A best practice would be for the camper to power their phone off when returning it for the day.*

Camp is not responsible for lost, stolen and/or damaged phones.
